

AUSTRALIAN POWER BOAT ASSOCIATION

National Authority Affiliated with the Union Internationale Motonautique
National President: Glenn Banks National Secretary: Marie Baker

ALL OWNERS AND DRIVERS - PLEASE NOTE

The Rule passed at the National Council Meeting, held on 19 May 2007 in Melbourne, Victoria reads:

All new inboard displacement boats constructed after 1 September 2008 and power by engines over 5201cc (excluding 6000cc Carburettor Cast Iron and 6000cc Restricted Classes) must be fitted with an APBA approved reinforced cockpit.

THIS RULE IS NOW IN FORCE

The following Motion was placed on the table at the 2008 August National Council Meeting (listed as Agenda Item 11(j) Aug 2008 Council Meeting Minutes) and will be up for discussion and voting at the 2009 August Council Meeting

At the 2009 National Annual General Meeting, it will be voted on whether or not to make reinforced cockpits compulsory in all current Unlimited and 6000cc class boats from 1 September 2010.

THIS IS ONLY A MOTION AT THIS STAGE AND WILL BE DISCUSSED AND VOTED ON AT THE AUGUST 2009 NATIONAL COUNCIL MEETING
